

# Advanced Technical Credit Program

## Statewide-Articulated High School Courses

### School Year 2005-2006

Course Code	Course Name	Course Abbreviation	Course Notes
<p>The following codes are the Texas Education Agency (TEA) career and technology courses approved for statewide-articulated postsecondary credit at community and technical colleges. These codes may only be used by districts that adhere to the teacher staff development and course content requirements outlined by TEA and the Texas Higher Education Coordinating Board in the <b>Advanced Technical Credit (ATC) Standard Articulation Agreement for Award of Postsecondary Credit for Commonly Articulated Technical Education Courses</b>. To indicate tech prep courses on a student's AAR, use special course explanation code "A".</p> <p>To be eligible for postsecondary credit as a single course, the student must be in grade 11 or 12. Courses in a coherent sequence may be taken at any grade level (9-12) as long as the final course in the <b>ATC-required</b> coherent sequence is taken when the student is in grade 11 or 12.</p>
